

Date: 24 March 2026

Subject: Build America, Buy America (BABA) Act, Pub. L. No. 117-58, §§ 70901-52

Lake Cable LLC manufactures all wire and cable product offerings in the United States of America at one of the following three production facilities:

- Copper wire drawing and fabrication is performed in Elkhart, IN
- Cable manufacturing is completed in Bensenville, IL and/or Valparaiso, IN

Lake Cable LLC produces all wire and cable products in accordance with the BABA Act as outlined by the Office of Management and Budget's Memorandum M-24-02 released on 25 October 2023.

The raw materials used to make Lake Cable products (eg. copper, shielding material, barrier tape, insulation and jacketing compounds) meet the 55% components test, where cost of components that are mined, produced, or manufactured in the U.S. is greater than 55 percent of the total cost of all components.

I hereby certify that all manufactured products shipped or provided are in full compliance with the Build America, Buy America (BABA) Act, Pub. L. No. 117-58, §§ 70901-52 requirements mandated by the Infrastructure Investment and Jobs Act of 2021.

Please contact your Lake Cable Representative if you have a question concerning this declaration. Thank you for your continued support of Lake Cable and its affiliates.
